

CUSTOM-TAILORED FURNITURE COVERS

Water, wind and sun can be rough on even the most well-made outdoor furniture—but a tailored cover can help keep every piece in your collection looking great, season after season.

Easy Way's experienced designers measure and fit every cover. Our custom outdoor furniture covers can be made to fit the unique dimensions of any piece in your collections:

- Sofas & loveseats
- Sectionals
- Lounge chairs & chaises
- Daybeds
- Benches
- Dining tables & chairs
- Occasional tables
- Umbrellas
- Fire pits, statues & other decor

Not only do our tailored covers look better than “one size fits most” options, but their custom fit also provides better protection.

We craft our covers from the highest-quality materials and the industry's most durable fabrics:

- Resists mold and mildew
- Protects against UV rays
- Resists shrinkage, fading, tearing and stretching
- Easy to clean
- Secures with durable buckles and zippers

Our covers are made to order and can be drop-shipped to your customers, saving you inventory space and the headaches that typically come with stocking multiple fitted covers.

Adding tailored covers to your outdoor furniture collections can help you grow sales organically.
